Meeting / Dining Spaces

Dining Hall/Lodge - Great for large group meetings. 1800 square feet, with tables and chairs for up to 150 and a panoramic view of Pickerel Lake. Comes free with our food service, or rent it and our kitchen to cook for yourself. Has free wifi accessibility. LCD projector and screen available for presentations.

North Camp Lodge – Set almost half a mile from the main camp, this rustic secluded lodge has recently undergone renovation. It is clean, well lighted and ventilated. It is also equipped with a small kitchen and food storage. It is currently set up as a weight/fitness room but has free space for meetings.

Rogers Hall – A large heated meeting space. In the woods just above our waterfront. About 2000 square feet with seating for up to 175. This building has a portable stage for large group presentations. Its concrete floor is perfect for large group activities and rowdy games. There is a full sound system, large screen and LCD projector available for presentations.

Arts and Crafts - Located right next to our parking lot, this is the perfect spot for your group's registration table, or office. Also a nice meeting space for groups up to 20 or so. Includes handicapped accessible bathrooms, 2 indoor and 1 outdoor sink, tables and chairs, and a small bedroom with 2 beds.

In addition to our facilities, we do have a number of shared space and rentable activity options.

Pickerel Lake is located in the center of camp. A small 40 acre lake, Pickerel is great for boating and swimming. All waterfront activities do need to be lifeguarded by one of our staff. The cost is \$50/hour for up to 25 swimmers or boaters. If swimming and boating will happen at the same time, the cost is \$75/hour for up to 25 boaters.

We have a full sized sports field complete with soccer, volleyball, football, kickball and basketball court. We have a full size archery range. Must be used with certified camp staff. Cost is \$50/hour for up to 10 shooters at a time. (maybe have as many shooters as you want overall during the hour)
