

CAMP HELEN BRACHMAN

Well, That's a Wrap Folks!

Summer 2015 is officially behind us, and we were sad to see it go. This summer was full of a lot of fun, sunshine, friends, and new adventures! Not only did our Healthy Living programs-which included healthy eating, Play 60, and meditation/reflection time-see even greater success, we also saw continued growth in our established activities. Our campers participated in some new and familiar camp activities, such as Basketball, Arts & Crafts, Creative Writing, Fishing, Football, and Archery; all were lead by our powerhouse staff team that made the summer fun for all of our campers!

With all of the excitement of summer memories lighting the way, we are in full gear to look forward to Summer 2016! While we wait for our favorite time of year to come back around, there are some exciting things heading our way: families from both the Goldin and Riverwest Family Resource Centers are coming up to enjoy CHB in the autumn for Fall Family Camp; Winter Camp runs from December 28-30, and we can't wait to see our campers again!

WINTER CAMP 2015!

Winter Camp registration is now available, and we hope you will take advantage of seeing CHB as a Winter Wonderland! Winter Camp runs from December 28-30, 2015. [Registration is available online now](#). Did you use CampNetwork to register for CHB this summer? You can log into the same account you made! Do you still prefer a paper registration? Summer Highlights

Every year, we send our campers home with evaluations for their parents to fill out and return to CHB. The ones we receive help us figure out what worked and what we can improve on from a parental standpoint. Here are some of the things that parents had to say about CHB, that help us see how important the work we do is to every child:

"People treated him with respect"

"Keante loves the staff. He expresses all the things going on at camp and he just loves that camp. I am so glad I put my son in camp. I am never worried about him."

"Loved staff-friendly and encouraged to explore self and the environment. New experiences and friends. Made to feel safe and comfortable on her first time to camp."

"She expressed that she had a blast. Looking forward to attending in the future J Great job staff."

"New friends, new things and great time. She loved it and can't wait until next year."

And the Winner is...

This year, we wanted an incentive for our parents to tell us what they thought of CHB. For each evaluation we received by August 31, we entered the child's name into a drawing to win a free session at CHB in Summer 2016. Our winner is... Kenny C! Congrats Kenny, we look forward to seeing you back at camp next summer with your family!
