Get the most bang for your buck!

Your gift is not just a gift - it's a promotion! For best results, we suggest a creative item with an attractive display. A restaurant may wish to include a private tasting for 4 instead of a gift card, and send along some branded items and information like brochures and menus for a display. This way, our guests are more likely to bid on your item and more likely to remember your brand!

Popular items include:

- Private Tasting
- Personal Chef
- Personal Product Demonstration & Gift
- Bundled packages (massage + wine tasting)
- VIP Treatment
- Tickets to a special event
