First Field Trip: Lindner's Farm

On Thursday October 24, CLC took a yellow school bus to Lindner's Pumpkin Farm in New Berlin!

Students got to feed the goats lots of yummy corn. They also got to see a miniature pony, different types of birds, and can't forget about the pot-belly pigs!

Students also had fun finding their way through a corn maze, sliding down the giant slide, and spinning on the merry-go-round.

We finished the evening doing some pumpkin bowling and picking out our very own pumpkins to take home!

We thank the parents who came along on our farm adventure! We got many compliments about the behavior and respect our group showed!

HALLOWEEN AT CLC!

Although a day late, we still celebrated Halloween at CLC on November 1st!

This Fun Friday consisted of "Make-a-Mummy" Competitions! Mr. T and Mr. P even joined in!

After a few rounds of competition and lots of TP rolls later, students also participated in "Ghost Bowling".

We finished the night guessing how many pieces of candy in the cup, and winding down with some "Spooky" Coloring Sheets!

When it was time to go home, students got a Buck's drawstring bag and a couple handfuls of candy! (As if they needed anymore) 😊

STRIIKKEEE... K4/K5 Bowling!

Ms. Robertson's K4/K5 Class has been busy working hard and playing harder!

They have been learning the game of bowling and practicing good sportsmanship when competing against one-another!

When one person wins, everyone
CELEBRATES!
