In Ms. Robertson's class, it's so fun her students can barely stay awake!

They love their "Mindfulness" time after a tasty lunch!

We have a BRAND NEW bike up for grabs!
Come to CLC every day to be entered into the raffle drawing!
July 30th we will be picking a winner!

Bike Club Part 2

Our last ride was to Sherman Phoenix where the bike club students were treated with some Purple Door Ice Cream! (Picture Above)

Our longest ride was down to Lake Michigan! Round trip we rode **12 MILES!** Luckily our instructors brought some fruit and crackers for a snack at the water front so we had energy for our trek back to Hopkins!

THANK YOU!

To our Bike Fed instructors:
Mr. Michael, Miss Angie
& Miss Victoria!
We will miss you SO much.

Ice Cream Experiment!

To end our "Mad Scientist" Week, we did an experiment. Making ice cream in a bag!

No doubt it was a hit! Our 4/5 graders were awesome helpers!

Try It @ Home!

What You Need:

- 1 Tablespoon Sugar
- 1/2 Cup of Whole Milk or 1/2 & 1/2
- 1/4 Teaspoon Vanilla
- 6 Tablespoons Rock Salt
- 1 Pint Size Ziploc Bag
- 1 Gallon Size Ziploc Bag
- Ice Cubes (LOTS OF THEM)

Directions:

Fill the large bag half full of ice, and add the rock salt. Seal the Bag.

Put the milk, vanilla, and sugar into the small bag. Seal the small bag.

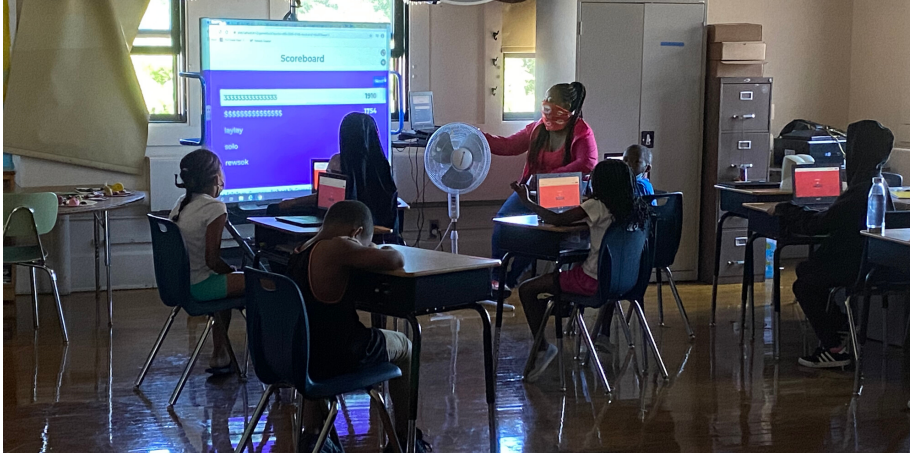

Place the small bag inside the large one, and reseal the big bag.

SHAKE SHAKE SHAKE the bag for approx. 5 minutes (more ice = faster).

ENJOY!

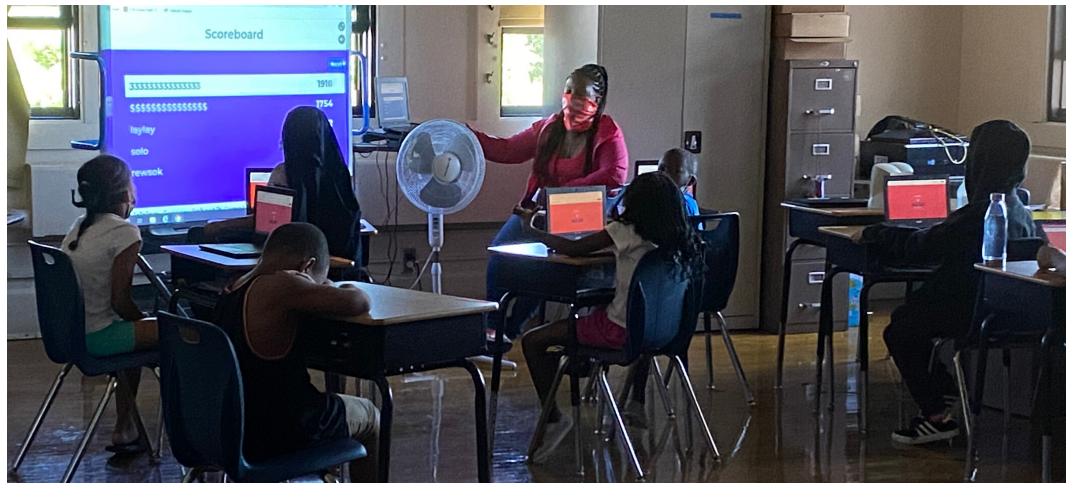

Technology Time

Miss K's Class Loves Kahoot!

During "Technology Time" students use their CLC Chromebooks to mix fun and academics in a race against each other.

They are quizzed on everything from addition and reading, to shoes and movies!

Dates To Know!

July 20-24

Weekly Theme:
Christmas in July

July 27-31

Weekly Theme:
Summer Olympics
